## **GUIDELINES FOR AUTHORS: SCIENTIFIC/CLINICAL RESEARCH**

**INTERNATIONAL DENTISTRY - AFRICAN EDITION** is a bi-monthly publication:

- February/March
  - June/July
  - October/November
  - April/May
  - August/ September
  - December/January\*
- \* Following year

Submissions of manuscripts, including research and reviews related to clinical practice are invited. Manuscripts are considered for publication with the understanding that they have not been published elsewhere in any form or any language and are submitted solely to International Dentistry – African Edition

### **PEER REVIEW**

#### ***Acknowledgement/copyright***

Submitted manuscripts are acknowledged on receipt, and all authors are requested to sign a copyright form on acceptance for publication.

#### ***Review***

All manuscripts are reviewed blinded by the Scientific Editor and members of the Editorial Board, after which they are returned to the author(s), either for revision or because they are deemed unsuitable for publication (insufficient originality, serious scientific or methodological flaws, or a message that is too specialised or of limited interest to a general dental audience). Communication from the Editorial Board will be directed to the corresponding author.

#### ***Revision***

A request for revision does not imply that the manuscript has been accepted for publication, but is an opportunity to present the best possible article for a decision about publication. Authors are usually given one month to return the revised manuscript

#### ***Acceptance/rejection***

The Editor makes the final decision on publication of an article.

### **SUBMITTING ARTICLES**

Manuscripts should be in MS Word format. They should be double-spaced on one side of paper with a wide margin on the left side. Submissions should be sent in digital format to: [dentsa@iafrica.com](mailto:dentsa@iafrica.com) - for attention The Publishing Editor.

International Dentistry - African Edition reserves the right to edit articles for clarity and style as well as to correct English grammar.
